YOUR WEEKLY RECAP OF POLITICAL DEVELOPMENTS IN JAPAN!

THIS WEEK IN NUMBERS

Northeastern Japan Hit by Earthquake

The region hit hard by the **2011 earthquake and tsunami** was hit again by an earthquake on Wednesday night. The quake registered a **magnitude of 7.3** (upper 6 on Japan's scale) and resulted in a **tsunami as high as 30 cm**. The quake resulted in **4 deaths, 107 injuries, 4,600 homes out of power in Fukushima and Miyagi**, as well as a Tohoku Shinkansen train derailment.

GOJ Sanctions on Russia

New measures: **prevent financing** to Russia from **multilateral financial institutions** like the **IMF**; respond to **sanctions evasion through digital assets**; **revoke "most-favored nation" status**; and prohibit import of certain goods and **exports of luxury goods**.

Japan-India Summit

Prime Minister Kishida and **Prime Minister Modi** met on Saturday. The two discussed **deepening bilateral ties** especially in the Indo-Pacific. Japan pledged an **investment of ¥5 trillion over the next 5 years**. The joint statement **did not condemn Russia for its aggression against Ukraine**.

GOJ Lifts All Pre-emergency Measures

The GOJ **lifted all COVID-19 pre-emergency measures** on Thursday. Kishida said the GOJ will promote the use of **vaccination history and test kits** to entice self-identification and move **toward restoring "normal" life**. While experts agree with the notion of returning to "normal," they argue that **measures should be lifted gradually**, not at once.
